TECHNICAL REQUIREMENTS

• We accept files in **PDF ACROBAT DISTILLER**, option PRINT OPTIMIZED or PRESS OPTIMIZED (not PDF Writer) in order to avoid an undue images compression.

For .TIFF or .JPG files the resolution must be at least of 300 dpi. and for the .jpg files the compression should be not below 10 (maximum quality).

We remind you that is useless and prejudicial transforming in PDF. an image file (tiff, jpg) as the morphing implies a further compression jpg. kind.

Please send files attached by e-mail: pubblicita@giornaledellamusicait. For files of more than 3 or 4 MB, you should send us a CD by courier. Please address it to: **"il giornale della musica", Advertisement department, via Pianezza 17, 10149 Turin Italy**, or by FTP.

• "il giornale della musica" is printed in roto-offset next generation on newspaper paper, so please:

1. **do not use small print in more than one main colour or composite selections of 4 colours** (cyan, yellow, magenta, black); **use no more than 2 colours** (for example: 80% magenta + 100% yellow= orange). Use 100% black for black captions, which must be in overprint in case of coloured backgrounds. For the black backgrounds, the use of a 100% black is compulsory, except when exceptionally is acceptable another colour separation (only in case of text bigger that 12 fonts).

2. **do not use small print** (less than 11-12 fonts).

3. Please use colour only for images and avoid shadowed texts or texts with borders and colour inserts; avoid fields of dark colour with black text. The advertising and graphic department of 'il giornale della musica' will ensure that all the files follow the technical requirements listed above before publication in order to keep the printing quality standards.

This may imply an extra charge which will be value according to the circumstances.

While saving the files as .PDF, please choose the options "Preserve Illustrator editing capabilities" and "Embed page thumbnails". For .PDF files, please specify both application (Illustrator, Freehand, In design etc.) and version used. Especially for vector design applications (Illustrator, Freehand, CorelDraw, etc.) - please convert text into path. For Illustrator .PDF files, please make sure that the PRESERVE ILLUSTRATOR EDITING CAPABILITIES is active.
